## ALL-STEEL TOOL KITS

Quality work requires good tools . . . and good tools conveniently placed in a quality tool kit will improve workers efficiency.

Consider the time saved when your operating, maintenance, or service departments have durable tool chests and cabinets with all tool requirements near at hand.

Hundreds of Kennedy cabinets and roller stands have been purchased for use in manufacturing plants for the care of valuable tools and fixtures.

Whatever your requirements, Kennedy's more than 50 years experience in quality manufacturing can meet your tool kit needs.

Whether your company provides the tools and kits or your employees purchase their own, check your Kennedy Mill supply jobber . . . he will be glad to show you these famous kits that serve the men who use the tools.

# KENNEDY... All Steel Tool Kits

### HEAVY DUTY MECHANIC'S CHEST No. 260
